

# *In a Nutshell*

## *From Epsilon Beta Parents Club*

### *May 2010*

Greetings! The spring term is over, the seniors have graduated, and it's time to wrap things up for the EB Parents Club this year.

The spring Finals Dinner was held May 9<sup>th</sup> at a local park. Unfortunately, the weather didn't cooperate, so it was too cold and gloomy to play games or do outdoor activities. Nevertheless, everyone enjoyed delicious sandwiches and sides from Jason's Deli. Each member received a goodie bag full of yummy snacks to enjoy during finals week. Also, each senior received a red luggage tag engraved with "Alpha Gamma Delta Alumna, Epsilon Beta ~ University of Kansas", and an outlined rose. We will miss our new alumnae and wish them well in their future endeavors!

The EB House Association meeting was held earlier this month. Yours truly (Chi-Chi Allen) was elected vice-president. One of my functions is to coordinate with Parents Club, so I will do my best to keep the parents informed!

Many of the chapter members will be living in the Ohio St. houses next school year.☺ These houses will serve as our chapter house and Fall Formal Recruitment will be held there. There are no plans on the horizon to build a new chapter house—those plans stalled when our International Council was unable, due to economic conditions, to provide a major loan for house construction. EBHA will investigate additional housing options, but will continue its Capital Campaign for funds, although less aggressively for now. The chapter will also continue fund raising activities, including the compilation and sale of a cookbook, due out this fall. For more information on the **cookbook** project, check out the "fund raising" tab on the chapter website—pre-orders will be taken through **June 15**.

Looking ahead...please plan to help the chapter with Fall Formal Recruitment in August. Important dates to remember—

<b>August 6</b>	<b>Work Week begins</b>
<b>August 13</b>	<b>Recruitment rounds start</b>
<b>August 18</b>	<b>Bid Day</b>

Volunteers will be needed to help get the houses ready and to assist with recruitment rounds. Look for more info coming your way this summer!

As we still have a few outstanding bills to be paid, the EBPC annual financial statement is not available at this time. I will forward that to everyone, as soon as it is ready.

*A huge **thank you** to everyone who has helped with or contributed to Parents Club this year!!!* I think the chapter women have really enjoyed the meals, goodie bags, holiday treats and special purchases. Special thanks to Ann Walsh for writing all those checks and keeping our finances in order!

**\*\*\*If your daughter is now an alumna or will not be returning to KU, please reply to this email, so we can remove your address from next year's contact list.**

*Have a great summer!!!*
